With the Constantly Growing Volume of  
research in the area of development at all  
ages during the life span, bringing this  
textbook up to date has become  
increasingly difficult with each revision  
since it first appeared in 1953. the major  
task has been to be selective-to include  
pertinent new material, eliminate dated  
material, and to cut down on content with  
which students have become familiar in  
other courses.
