Gilgamesh is one of the great sagas of the past. This "new" translation (not really new, but newer than the original) is highly readable and the best of the several versions I have read thus far (but I'm always looking for newer). The original was "published" on cuneiform tablets thousands of years ago, and was quite fragmentary.

Gilgamesh: The New Translation: Davis, Gerald J ...

GILGAMESH, THE NEW TRANSLATION synthesizes the work of previous scholars with an eye toward comprehensibility, making an epic of extreme importance accessible to the masses. Davis's preface presents GILGAMESH in an exciting manner, as humanity's oldest preserved story.

Gilgamesh: The New Translation - Kindle edition by Davis ...

After reading Gerald Davis's translations of Don Quixote and Beowulf (on audiobook), I was excited to read his new translation: Gilgamesh. Like these other two books, Gilgamesh is an epic story beautifully translated. It's the story of Gilgamesh, King of Uruk (now Iraq), his battle and then friendship with Enkidu, and later his solo quest.

Gilgamesh: The New Translation by Gerald J. Davis

Relying chiefly on the works of early-20th-century scholars, Davis (Beowulf: The New Translation, 2013) gives an old-school treatment to one of the world's foremost works of literature.Believed to have originated in oral form more than 4,000 years ago, the ancient Middle Eastern tale of Gilgamesh has been subjected to all manner of translation: poetic, literary, literal, pastiche.

Gilgamesh is one of the great sagas of the past. This "new" translation (not really new, but newer than the original) is highly readable and the best of the several versions I have read thus far (but I'm always looking for newer). The original was "published" on cuneiform tablets thousands of years ago, and was quite fragmentary.

The EPIC OF GILGAMESH is the oldest story that has come down to us through the ages of history. It predates the BIBLE, the ILIAD and the ODYSSEY. The EPIC OF GILGAMESH relates the tale of the fifth king of the first dynasty of Uruk (in what is modern day Iraq) who reigned for one hundred and twenty-six years, according to the ancient Sumerian King List. GILGAMESH was first inscribed in cuneiform writing on clay tablets by an unknown author during the Sumerian era and has been described as one of the greatest works of literature in the recounting of mankind's unending quest for immortality.

A poem for the ages, freshly and accessibly translated by an international rising star, bringing together scholarly precision and poetic grace Gilgamesh is a Babylonian epic from three thousand years ago, which tells of King Gilgamesh's deep love for the wild man Enkidu and his pursuit of immortality when Enkidu dies. It is a story about love between men, loss and grief, the confrontation with death, the destruction of nature, insomnia and restlessness, finding peace in one's community, the voice of women, the folly of gods, heroes, and monsters—and more. Millennia after its composition, Gilgamesh continues to speak to us in myriad ways. Translating directly from the Akkadian, Sophus Helle offers a literary translation that reproduces the original epic's poetic effects, including its succinct clarity and enchanting cadence. An introduction and five accompanying essays unpack the history and main themes of the epic, guiding readers to a deeper appreciation of this ancient masterpiece.

A new verse rendering of the great epic of ancient Mesopotamia, one of the oldest works in Western Literature. Ferry makes Gilgamesh available in the kind of energetic and readable translation that Robert Fitzgerald and Richard Lattimore have provided for readers in their translations of Homer and Virgil.

The ancient Sumerian poem The Epic of Gilgamesh is one of the oldest written stories in existence, translated with an introduction by Andrew George in Penguin Classics. Miraculously preserved on clay tablets dating back as much as four thousand years, the poem of Gilgamesh, king of Uruk, is the world's oldest epic, predating Homer by many centuries. The story tells of Gilgamesh's adventures with the wild man Enkidu, and of his arduous journey to the ends of the earth in quest of the Babylonian Noah and the secret of immortality. Alongside its themes of family, friendship and the duties of kings, The Epic of Gilgamesh is, above all, about mankind's eternal struggle with the fear of death. The Babylonian version has been known for over a century, but linguists are still deciphering new fragments in Akkadian and Sumerian. Andrew George's gripping translation brilliantly combines these into a fluid narrative and will long rank as the definitive English Gilgamesh. If you enjoyed The Epic of Gilgamesh, you might like Homer's Iliad, also available in Penguin Classics. 'A masterly new verse translation' The Times 'Andrew George has skillfully bridged the gap between a scholarly re-edition and a popular work' London Review of Books

Vivid, enjoyable and comprehensible, the poet and pre-eminent translator Stephen Mitchell makes the oldest epic poem in the world accessible for the first time. Gilgamesh is a born leader, but in an attempt to control his growing arrogance, the Gods create Enkidu, a wild man, his equal in strength and courage. Enkidu is trapped by a temple prostitute, civilised through sexual experience and brought to Gilgamesh. They become best friends and battle evil together. After Enkidu's death the distraught Gilgamesh sets out on a journey to find Utnapishtim, the survivor of the Great Flood, made immortal by the Gods to ask him the secret of life and death. Gilgamesh is the first and remains one of the most important works of world literature. Written in ancient Mesopotamia in the second millennium B.C., it predates the Iliad by roughly 1,000 years. Gilgamesh is extraordinarily modern in its emotional power but also provides an insight into the values of an ancient culture and civilisation.

The Epic of Gilgamesh is the world's oldest epic masterpiece.

The pioneering work presented in this book introduces the earliest known literary and mythology work in the world, the Epic of Gilgamesh, in its actual language: early Classical Arabic. It provides a more accurate translation and understanding of the important story of the flood, one of the key stories of the monotheistic religions. In this book, the author, a known Arabic type designer and an independent scholar of Nabataean, Musnad, and early Arabic scripts, was able to decipher the actual meanings and pronunciations of several important names of ancient Mesopotamian gods, persons, cities, mountains, and other entities. He was able to uncover the evolution path of the concept of god and the background themes behind the rise of the monotheistic religions. Utilizing a generous text sample from the Akkadian and Sumerian languages, this book is an excellent reference textbook for scholars and students of Arabic and Assyriology who are interested in translating these ancient languages through both, the historical Arabic etymological references and the deciphering tools of Assyriology. To illustrate his breakthrough Arabic-based deciphering methodology, the author used a sample text consisting of more than 900 lines from three tablets of the Standard and Old Babylonian editions of the Epic of Gilgamesh. By "digging out" the actual language of the epic, he was not only able to resurrect the actual word soundings and linguistic literary style of its original text, but also to provide more accurate and coherent translations. Following his three years of research, he was able to demonstrate through undisputed linguistic evidence that the epic was in fact written in a beautiful, powerful early Classical Arabic language! And the so-called Sumerian and Akkadian languages that the epic was recorded with, which we are told today are unrelated languages, were in fact one evolving early Arabic language, written with one evolving writing system, passing through two major time periods. Although this book is primarily written as a reference textbook for scholars, it is equally suitable for anyone interested in reading the translation of the Epic of Gilgamesh, a fascinating Mesopotamian Arab mythology work documenting eloquently some of the most important and lasting ancient myths invented by humankind.

The story of Gilgamesh, an ancient epic poem written on clay tablets in a cuneiform alphabet, is as fascinating and moving as it is crucial to our ability to fathom the time and the place in which it was written. Gardner's version restores the poetry of the text and the lyricism that is lost in the earlier, almost scientific renderings. The principal theme of the poem is a familiar one: man's persistent and hopeless quest for immortality. It tells of the heroic exploits of an ancient ruler of the walled city of Uruk named Gilgamesh. Included in its story is an account of the Flood that predates the Biblical version by centuries. Gilgamesh and his companion, a wild man of the woods named Enkidu, fight monsters and demonic powers in search of honor and lasting fame. When Enkidu is put to death by the vengeful goddess Ishtar, Gilgamesh travels to the underworld to find an answer to his grief and confront the question of mortality.
