Doing research on a company prior to an interview is a necessity. You need to know the history and makeup of the company, who the key players are, recent accomplishments and mentions in the press,...

What To Expect During An HR Interview -- Five Questions ...

Be on time for the interview. On time means five to ten minutes early. If need be, drive to the interview location ahead of time so you know exactly where you are going and how long it will take to get there. Take into account the time of your interview so you can adjust for local traffic patterns at that time.

7 Interview Tips That Will Help

1. Confirm the scheduled time. Before the day of your interview, confirm the date and time so you're sure to pick up when the call comes in. Writing down the scheduled time, adding it to your calendar or setting it as a reminder on your phone are great ways to make sure you are ready for the scheduled interview.
