A reference for anyone considering a restoration of one of these classic luxury saloon cars, this book covers the Series 1, 2 and 3 XJ6 models built between 1969 and 1986. This manual shows you how to strip down, rebuild and tune an XK engine; repair and modify suspension; renovate interior trim; strip down and rebuild mechanical components; and repair and replace bodywork. Illustrated with more than 900 photographs and diagrams, it also explains what to look for when buying a used XJ6. The book covers:

- Model heritage and development
- What to look for when buying a project vehicle and the pitfalls to avoid
- How to renovate bodywork and chassis, including the renewal of major panels and repainting
- Repairing and renewing interior trim and fitting accessories
- How to give new life to mechanical and electrical components, including XK engine overhaul
- Transmission servicing and replacement
- Suspension overhaul and replacement
