craftsman printer and an inspirational teacher, Blakemore discovered photography in the 1950s, exploring more personal approaches and developing his unique and elegant style in areas as diverse as still life, documentary, portraiture and Polaroid colour.

Evocative black-and-white images capture the unique interrelationship between human culture and the natural world in photographs of America's Gulf Coast region, offering an illuminating study of the marshes, forests, bayous, and seascapes from the Mississippi River to the Florida Panhandle.

# Online Library John Blakemores Black White Photography Workshop

A comprehensive and accessible guide to photography. It covers cameras and lenses, the specifics of black-and-white and color photography. field trips. All aspects of photography are thoroughly presented in a clear, readable manner.

Jesus Christ is arguably the most famous man who ever lived. His image adorns countless

## Online Library John Blakemores Black White Photography Workshop

churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men.
