JD 500 round baler - Yesterday's Tractors

According to book, JD 500 was made 1974-75 and made a 5 x 6 bale. I have never used one but I don't think they are nearly as good as the Vermeer 605G. The Vermeer G is an open throat baler that makes 5x6 bales and it can make smaller bales, like 5x5. by just stopping the bale earlier.
