The Buddha Legacy – A Shared Heritage

Though born across the present-day border of India in Nepal, the life of Buddha, Siddhartha Gautama, is synonymous with India. It was in India that the Buddha first spread his teachings, teachings that would flourish from East Asia to the Gandhara civilization in modern Pakistan and Afghanistan.

Siddhartha Gautama was born as a rich young prince. His father insisted that he should live a life away from other people, for it had been predicted that Siddhartha would become a Buddha, and his father wanted him to grow up and rule in his place. So the king made beautiful palaces for his son and Yasodhara, his son's beautiful wife to live in.

Buddha is an even higher spiritual power,
that derives no pleasure from controlling
the flesh, since he has altogether moved
beyond pleasure and suffering. Passion,
whose conquest still requires so much
effort in the case of Christ and does so
incessantly and in ever greater measure,
has left Buddha and surrounds him as a

This review (previous post) has a possible
flaw in its statements about Buddha and
the Demon Mara. It is one thing to
consider naturalism but what is the status
of ideas of demonology. Secular
humanism is almost fanatic on such a
subject. But the legacy of Buddha requires
more than kneejerk naturalism. Even so,
humanists...
