Well, Malcolm McLean, a former self-confessed pop groupie, is lifting the lid on what it was like back in the
' 90s, in his new memoir, Freak Like Me. Freak Like Me has you hooked from the opening chapter, which
detail Malcolm and his friends exploits when they managed to sneak into the Brit Awards, much to the
admiration, horror and amusement of the stars in attendance at the annual glitzy ceremony.

This October saw the release of a book I have been buried away writing and editing for the last three years: a memoir about my teenage years spent obsessing over pop stars, titled *Freak Like Me: Confessions of a 90s pop groupie*. It feels like an amazing achievement to have got to this point and have people reading the book that I put so much into during the last few years, and I am so proud of myself, but it wasn't as simple as I naively thought it might be, back at the start of the project.

Freak Like Me: Confessions of a 90s Pop Groupie reminisces about a time when the music industry was a very different world: an era of CD singles, chart battles, and newfangled reality TV shows. It charts how one fan witnessed the disposable music industry first-hand, with artists forced into the limelight one minute and dropped without warning the next.

Freak Like Me: Confessions of a 90s pop groupie is the true story of one teenage pop fan who, with a group of like-minded outcasts, witnesses the disposable music industry of the late nineties and early noughties first-hand. Tracking down A-listers itineraries, he gets to meet the real personalities behind the Smash Hits posters adorning his bedroom walls.

Chely Wright, singer, songwriter, country music star, writes in this moving, telling memoir about her life and her career; about growing up in America ' s heartland, the youngest of three children; about barely remembering a time when she didn ' t know she was different. She writes about her parents, putting down roots in their twenties in the farming town of Wellsville, Kansas, Old Glory flying atop the poles on the town ' s manicured lawns, and being raised to believe that hard work, honesty, and determination would

Download Ebook Like Me Confessions Of A Heartland Country Singer Chely Wright

take her far. She writes of making up her mind at a young age to become a country music star, knowing then that her feelings and crushes on girls were “ sinful ” and hoping and praying that she would somehow be “ fixed. ” (“ Dear God, please don ’ t let me be gay. I promise not to lie. I promise not to steal. I promise to always believe in you . . . Please take it away. ”) We see her, high school homecoming queen, heading out on her own at seventeen and landing a job as a featured vocalist on the Ozark Jubilee (the show that started Brenda Lee, Red Foley, and Porter Wagoner), being cast in Country Music U.S.A., doing four live shows a day, and—after only a few months in Nashville—her dream coming true, performing on the stage of the Grand Ole Opry . . . She describes writing and singing her own songs for producers who ’ d discovered and recorded the likes of Reba McEntire, Shania Twain, and Toby Keith, who heard in her music something special and signed her to a record contract, releasing her first album and sending her out on the road on her first bus tour . . . She writes of sacrificing all for a shot at success that would come a couple of years later with her first hit single, “ Shut Up And Drive ” . . . her songs (from her fourth album, Single White Female) climbing the Billboard chart for twenty-nine weeks, hitting the #1 spot . . . She writes about the friends she made along the way—Vince Gill, Brad Paisley, and others—writing songs, recording and touring together, some of the friendships developing into romantic attachments that did not end happily . . . Keeping the truth of who she was clutched deep inside, trying to ignore it in a world she longed to be a part of—and now was—a world in which country music stars had never been, could not be, openly gay . . . She writes of the very real prospect of losing everything she ’ d worked so hard to create . . . doing her best to have a real life—her best not good enough . . . And in the face of everything she did to keep herself afloat, she writes about how the vortex of success and hiding who she was took its toll: her life, a tangled mess she didn ’ t see coming, didn ’ t want to; and, finally, finding the guts to untangle herself from the image of the country music star she ’ d become, an image steeped in long-standing ideals and notions about who—and what—

country artist is, and what their fans expect them to be . . . I am a songwriter, ” she writes. “ I am a singer of my songs—and I have a story to tell. As I ’ ve traveled this path that has delivered me to where I am today, my monument of thanks, paying honor to God, remains. I will do all I can with what I have been given . . . ” Like Me is fearless, inspiring, true.

Beyonce said she liked his shirt. Geri drunk dialed him. Madonna sung into his face at Top of the Pops, and P!nk's backing dancers laughed at his hair. *Freak Like Me: Confessions of a 90s Pop Groupie* reminisces about a time when the music industry was a very different world: an era of CD singles, chart battles, and newfangled reality TV shows. It charts how one fan witnessed the disposable music industry first-hand, with artists forced into the limelight one minute and dropped without warning the next. This hilarious memoir is packed with scandalous gossip and poignant memories from the era of Nokia 3310s and dial-up Internet, when chart positions meant everything and, if you wanted to know what your idols were up to off-screen, you had to track them down yourself!

"Hilarious... This book charmed my socks off." —Patricia O ’ Conner, New York Times Book Review Mary Norris has spent more than three decades working in The New Yorker ’ s renowned copy department, helping to maintain its celebrated high standards. In *Between You & Me*, she brings her vast experience with grammar and usage, her good cheer and irreverence, and her finely sharpened pencils to help the rest of us in a boisterous language book as full of life as it is of practical advice. Named a Best Book of the Year by NPR, Amazon, Wall Street Journal, Publishers Weekly, Kirkus, and Library Journal.

The memoir of a high-functioning, law-abiding (well, mostly) sociopath and a roadmap—right from the

Download Ebook Like Me Confessions Of A Heartland Country Singer Chely Wright

source—for dealing with the sociopath in your life. As M.E. Thomas says of her fellow sociopaths, “ We are your neighbors, your coworkers, and quite possibly the people closest to you: lovers, family, friends. Our risk-seeking behavior and general fearlessness are thrilling, our glibness and charm alluring. Our often quick wit and outside-the-box thinking make us appear intelligent—even brilliant. We climb the corporate ladder faster than the rest, and appear to have limitless self-confidence. Who are we? We are highly successful, noncriminal sociopaths and we comprise 4 percent of the American population. ” *Confessions of a Sociopath*—part confessional memoir, part primer for the curious—takes readers on a journey into the mind of a sociopath, revealing what makes them tick while debunking myths about sociopathy and offering a road map for dealing with the sociopaths in your life. M. E. Thomas draws from her own experiences as a diagnosed sociopath; her popular blog, *Sociopathworld*; and scientific literature to unveil for the very first time these men and women who are “ hiding in plain sight. ”

In 2005, Dan Bucatinsky and his partner, Don Roos, found themselves in an L.A. delivery room, decked out in disposable scrubs from shower cap to booties, to welcome their adopted baby girl—launching their frantic yet memorable adventures into fatherhood. Two and a half years later, the same birth mother—a heroically generous, pack-a-day teen with a passion for Bridezilla marathons and Mountain Dew—delivered a son into the couple ’ s arms. In *Does This Baby Make Me Look Straight?* Bucatinsky moves deftly from sidesplitting stories about where kids put their fingers to the realization that his athletic son might just grow up to be straight and finally to a reflection on losing his own father just as he ’ s becoming one. Bucatinsky ’ s soul-baring and honest stories tap into that all-encompassing, and very human, hunger to be a parent—and the life-changing and often ridiculous road to getting there.

If Chins Could Kill: Confessions of a B Movie Actor Here we are together in the digital universe. Somehow, you've clicked yourself to this page. If you came here of your own free will and desire, you and I are going to get along just fine. Life is full of choices. Right now, yours is whether or not to download the autobiography of a mid-grade, kind of hammy actor. Am I supposed to know this guy? you think to yourself. No-and that's exactly the point. You can download a terabyte of books about famous actors and their high-falootin' shenanigans. I don't want to be a spoilsport, but we've all been down that road before. Scroll down to that Judy Garland biography. You know plenty about her already-great voice, troubled life. Scroll down a little further to the Charlton Heston book. Same deal. You know his story too-great voice, troubled toupee. The truth is that though you might not have a clue who I am-unless you watch cable very late at night-there are countless working stiffs like me out there, grinding away every day at the wheel of fortune. If Chins Could Kill: Confessions of a B Movie Actor documents my time in blue-collar Hollywood, where movies are cheap, the hours are long, and the filmmaking process can be very personal. To keep up with the times, I've digitized Chins. It was originally published in hardcover/analog fifteen years ago, which is a vast amount of time in the evolution of books and technology, and it was time to get current. The advance of technology is great for a book like this, which is jammed full of pictures. When it came out originally, the photographs all had to be black and white and moderately sized on the page. Now, any photo that was originally taken in color can strut its stuff. Overall, the resolution of the images is off-the-charts better than the first go-around. This is one "sequel" that I'm happy to be a part of, since we could make so many technical improvements. The process was very similar to restoring an old movie. Since I knew that it was going to be reissued, I also had a look at the story being told and decided to condense, move, or clarify some chapters, all or in part. I also tried to add a hint of historical context, since it has been a decade and a half since Chins first came out. I hope you enjoy it. Regards, Bruce Campbell

The prolific actress best known for her appearances in such productions as the Oscar-winning *The Descendants* presents a collection of comedic essays on topics ranging from stepmotherhood to midnight shopping trips at the pharmacy. 100,000 first printing.

CONFESSIONS OF A SERIAL SONGWRITER

Biz Stone, the co-founder of Twitter, discusses the power of creativity and how to harness it, through stories from his remarkable life and career. *THINGS A LITTLE BIRD TOLD ME* From GQ's "Nerd of the Year" to one of Time's most influential people in the world, Biz Stone represents different things to different people. But he is known to all as the creative, effervescent, funny, charmingly positive and remarkably savvy co-founder of Twitter-the social media platform that singlehandedly changed the way the world works. Now, Biz tells fascinating, pivotal, and personal stories from his early life and his careers at Google and Twitter, sharing his knowledge about the nature and importance of ingenuity today. In Biz's world: -Opportunity can be manufactured -Great work comes from abandoning a linear way of thinking -Creativity never runs out -Asking questions is free -Empathy is core to personal and global success In this book, Biz also addresses failure, the value of vulnerability, ambition, and corporate culture. Whether seeking behind-the-scenes stories, advice, or wisdom and principles from one of the most successful businessmen of the new century, *THINGS A LITTLE BIRD TOLD ME* will satisfy every reader.
