McCulloch has a long history of developing, high performance garden tools that are tough, reliable and importantly, have the power to get the job done. Not only will you get those boring garden chores done quickly, you will look good doing it too, with McCulloch's stylish, slick design.

Official McCulloch Website - The Power To Get The Job Done!

McCulloch offers both single and variable speed self-propelled lawn mowers that help automatically push your lawn mower around your garden. Using McCulloch's innovative FlexiSpeed technology, its variable speed drive allows you to control the pace you mow the lawn with either hand. This ensures flexibility as well as a more comfortable operation.
