This book is closely tied to the new curriculum, with extracts from the curriculum itself and lesson plans and teaching ideas for every area. This book will equip non-specialists to confidently deliver engaging and well-informed lessons, that account for the changes in the National Curriculum. This is a very practical and easy to apply programme for teaching Spanish either in your own classroom, or to implement across the school in the role of a co-ordinator

Intelligent Business is a range of Business English materials that includes components specifically designed to meet the need of students who either need to learn business through English or perform familiar business tasks in English.

Contains all the audio tracks for use with the Students' Book.

This book helps students integrate key words and phrases in their writing and speaking using the Academic word study sections, and it gives the motivated students lots of extra exam practice.

Written by experienced teachers and teacher trainers, this series offers practical teaching ideas within a clear, theoretical framework. Each title includes a photocopiable 'Task File' of training and reflection activities to reinforce theories and practical ideas presented.
