in furniture construction. Social Furniture establish spaces of communal use for living, cooking, and working together. In this context EOOS shares their knowledge with all those who don't want it for commercial purposes. Everything you need to know in order to personally build furniture for communities can be found in this catalog.

dear users! - Umdasch

With that poetic point of departure, EOOS soon arrived at the concept for Social Furniture. The initiative is centered around 18 furniture designs, including stools, storage systems, and shelving; tables for working, meeting, and cooking; wall panels for orientation signage, workshop trestles, and a raised-bed garden framing system.
