The controversial Bible scholar and author of The Evolution of Adam recounts his transformative spiritual journey in which he discovered a new, more honest way to love and appreciate God ' s Word. Trained as an evangelical Bible scholar, Peter Enns loved the Scriptures and shared his devotion, teaching at Westminster Theological Seminary. But the further he studied the Bible, the more he found himself confronted by questions that could neither be answered within the rigid framework of his religious instruction or accepted among the conservative evangelical community. Rejecting the increasingly complicated intellectual games used by conservative Christians to " protect " the Bible, Enns was conflicted. Is this what God really requires? How could God ' s plan for divine inspiration mean ignoring what is really written in the Bible? These questions eventually cost Enns his job—but they also opened a new spiritual path for him to follow. The Bible Tells Me So chronicles Enns ' s spiritual odyssey, how he came to see beyond restrictive doctrine and learned to embrace God ' s Word as it is actually written. As he explores questions progressive evangelical readers of Scripture commonly face yet fear voicing, Enns reveals that they are the very questions that God wants us to consider—the essence of our spiritual study.

What does the Bible teach and what does it not teach? Does the Bible Tell Me So addresses this question by first examining how the Bible has been misinterpreted in the past and then asking if we are making the same mistakes in how we interpret current issues.

Exploring Christian Scripture: Issues, Themes, Books, Topics
John Wesley believed the Scriptures are a complete rule of faith and practice" and "they are clear in all necessary points." To this affirmation, Wesley immediately adds, "and yet their clearness does not prove that they need not be explained" The book you are holding emerged as a companion to a Scripture conference at Northwest Nazarene University. Many scholars at the conference contributed essays to this important book. About half of the essays address vital issues, such as biblical inspiration, inerrancy, interpretation, and authority. John Wesley's approach to the Bible is examined, and some essays explore how the Bible ought to be approached in a postmodern world. Other essays address crucial themes in various books of the Bible. These essays will help preachers and teachers greatly as they work to present the truths of Scripture to contemporary people. If understanding the Bible well is a high priority to you, this may become one of the most important books you'll ever read!

I intend to leave this book my to children and grandchildren. I hope it is received in the same spirit that I give it. I love every one of them with all my heart. They are all precious individuals, and I am very proud of each one. May God bless them. Times have changed. I miss the 1940's when things were simple. Today kids are smarter than we were. They are on strange electronic games that I do not understand. I suspect they are addictive and perhaps even harmful, depending on content. The temptations today are many times more problematic than when I grew up. These young people are high-tech, intelligent, and far ahead of me at their age. They are all very smart and are, or will be, well educated. They show signs of becoming very successful in this world. However, my concerns are related to the spiritual side of life and reality. What about life hereafter? Have I prepared them for the next life? I fear I have failed in that regard and I write in order to leave them something about God's word that may take up the slack in things where I have failed. I want to be sure that my kids and grandkids become believing, studious Christians as adults. If there is an afterlife, and I believe there is, it must be of great importance for all so, get ready, I believe we will all have an afterlife. We, in America, are fortunate in that we have freedom of religion and there are churches on every corner teaching the basic principles of our Lord and Savior. My Dad raised me on the bible and denominational doctrine because that's what he knew. He gave me a good start but I have discovered that there is much more to learn than denominational tradition. I believe an open mind is absolutely necessary and denominational training is a closed down system loyal to only one view. I want my children to study God's word! Unfortunately, many churches and church people do not study, but accept a particular traditional doctrine that has been handed down to them. I am now in my late seventies. I am not an academic and hold no degrees in theology. One might say I have a degree in hard knocks, experience, big mistakes, and corrections. I hope that my years of study and faith are enough. After years of doubting, study, research, and prayer I have come to believe that the bible is the most valuable word of wisdom on earth, The Most Treasured of All books on the planet. Very intelligent men and women have tried to disprove the bible but the more they attack, the better the old book looks. It is still the world's best seller. I believe we can base our whole life in this world and the life hereafter on the bible. I intend to convince my children and grandchildren of that, and I pray they read what I have left them.

\Have you ever felt you had to hide the true you, the anxious, hurting and fearful you, even from God? Jennifer L. Lane's Faith Adventures shows us in her vulnerability before both God and her readers that: "Our God isn't shallow, and He knows that sometimes with a phone call, a run stoplight, a routine blood test, or a sonogram, we can be thrown into the deep end." Through both her experiences and Scriptures, Jennifer reassures us that: 'He is there in the deep end with us.' She shows us that it is precisely in the moments we choose to face our humanity - our anxiety, hurt and fear - learning into the arms of our mighty God to hold, soothe and protect us, that our greatest faith adventures are birthed. Let Jennifer inspire, challenge and encourage you to step into the exciting Faith Adventures awaiting you. Pick up a copy of her book or gift it to someone you would love to bless this Christmas. You won't be disappointed." - Anna Smit, Christian blogger sharing her journey into God's love at www.joyofthespiritwithin.wordpress.com

This book is Sally Stanley's incredible journey and amazing testimony of God giving her "The Power To Go On." Stricken with a staph infection which produced large painful sores all over her body, she was rushed into surgery, where the surgeon accidentally severed the main artery to her heart, causing blood to flood her chest cavity, which resulted with her dying on the operating table. This resulted in her "after death or out-of-body experience" and miraculous encounter with The Lord, as He spoke these marvelous words, "You have been chosen by God and your work is not finished." Upon her immediate restoration, she spent weeks on a ventilator and had several months of physical therapy. Over the next several years, Sally has experienced and recovered from a fractured vertebrae, several strokes, and heart attacks. During this time period she also cared for her husband John, after he experienced seizures and strokes, which finally lead to his death on December 12, 2013. Then in May of 2014, while walking in a pedestrian crosswalk, she was suddenly hit by an automobile, suffering multiple injuries, including a shattered right shoulder and broken neck. Sally tells everyone that over the past 20 years, many miracles have happened in my life, but faith in Christ has given me "The Power To Go On." "I hope that everyone who reads this book will understand that with God, all things are possible. It is so great to know that we have Jesus walking with us each and every day."

The Gospels and Acts are composed of writings from St. Matthew, St. Mark, St. Luke, St. John and the Book of Acts. The purpose of which is to give you the spiritual lens that will enable you to see clearly what you fail to see using your physical lens. As you read this collection, try to see the three spiritual themes to it. Get a copy today.

So many of us desire freedom - the freedom that is promised to us when we decide to follow Jesus. The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy. Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the grace that God has so graciously given to us to be real in our life... Breaking Pride is an eBook based on one simple truth: In order to walk in God's grace we need to tear down the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with the Lord, and we long to have the fruit of the spirit filled in our heart. Our desire is to achieve these fruits through will power. But we do not even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from living within us. In Breaking Pride you will learn to identify different areas of pride in your life. Filled with encouragement, Breaking Pride will take you through a practical reading of what pride may look like in your life... Let's stop building walls of pride and start building the foundation of grace within our lives...
