New York Times bestselling author Cathy Maxwell's delicious Logical Man's Guide to Dangerous Women series continues with this provocative romance between a reprobate earl and a sensible spinster who agree to marry under scandalous circumstances. Perfect for fans of Sophie Jordan and Sabrina Jeffries. Lesson #1: A man, even titled and handsome, cannot be careless forever. The Earl of Marsden--better known as Mars to all--has lived his life by his own rules--until he is presented with a very big problem in a very tiny package--a baby girl, his daughter cast off by his ex-mistress. Mars won't let his child be cast adrift, except he doesn't know the first thing about babies. Panicking, he turns to a woman for help. Not just any woman, but Clarissa Taylor, village spinster, matron-in-training, and Mars's greatest critic. Still, who better to tend a motherless child than a woman who was abandoned as a babe herself? Lesson #2: Life always plays the upper hand--especially when it comes to love. Clarissa desperately wishes to not to be beholden to anyone. She has spent a lifetime being pitied by the village. Her plan is simple--to use what the intolerable earl will pay her to become her own woman. It all sounds so straightforward until the threat of scandal sends her and the one man she can't abide toward . . . marriage? Mars and Clarissa are about to learn the greatest lesson of all--that sparks always fly when the iron is hot.

"[A] feast of female empowerment, positive friendships, feel-good moments, and social satire." - NPR "A jolt of electricity, a blast of fresh air--everything delightful and exciting you could want it to be." - The New York Times Book Review Meet the Union of the Rakes--a new Regency romance series inspired by the Breakfast Club and other classic 80s films! In the first book, a bluestocking enlists a faux suitor to help her land an ideal husband only to be blindsided by real desire... Lady Grace Wyatt is content as a wallflower, focusing on scientific pursuits rather than the complications of society matches. But when a handsome, celebrated naturalist returns from abroad, Grace wishes, for once, to be noticed. Her solution: to "bull" the perfect man, who will court her publicly and help her catch his eye. Grace's colleague, anthropologist Sebastian Holloway, is just the blank slate she requires. To further his own research on English society, Sebastian agrees to let Grace transform him from a bespectacled, bookish academic into a dashing--albeit fake--rake. Between secret lessons on how to be a rogue and exaggerated public flirtations, Grace's feelings for Sebastian grow from friendship into undeniable, inconvenient, real attraction. If only she hadn't asked him to help her marry someone else... Sebastian is in love with brilliant, beautiful Grace, but their bargain is complete, and she desires another. Yet when he's faced with losing her forever, Sebastian will do whatever it takes to tell her the truth, even if it means risking his own future--and his heart. "One of Oprah Magazine's Best Historical Romances to Read"

A resolute spinster at twenty-five, Abigail Weston is nonetheless determined to see her cherished younger sister wed to a man of Quality. But Abigail's lack of experience with the opposite sex means that she cannot allay her sister's fears about the marriage bed--unless she takes bold steps to learn what the intimacy between a man and woman entails. Yet the one man in London qualified to teach her awakens temptation Abigail never anticipated--to experience each whispered pleasure for herself... James Stevens--wealthy, dissolute, and wholeheartedly bored by London society--believes nothing can shock him. While Abigail's request for a verbal explanation of the pleasures of the flesh is mildly surprising, what amazes James is his powerful reaction to her innocence and lush beauty. A sexual dalliance between them may bring untold carnal bliss, but anything more would ruin Abigail forever. And for the first time in his life, James suspects that mere physical intimacy pales in the face of true love...

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip.
