the Regulatory State New City Agenda 12 June 2018 3. democracy – is that it separates, more cleanly than any other system of government, how we feel about the government of the day and how we feel about the system of government.

New City Agenda Unelected Power: The Quest for Legitimacy

...

Democratic societies have long found ways of accommodating, and often honoring, the Military, the Judiciary, and, where it existed, an established Church. It is more that there has been a shift in the reach and techniques of unelected power, which now routinely involves writing legally binding rules and regulations.

Unelected Power – The Quest for Legitimacy in Central ...

In *Unelected Power: The Quest for Legitimacy in Central Banking and the Regulatory State*, Paul Tucker, a former deputy governor of the Bank of England, argues that, at least in part, the rise of populism can be attributed to vast swathes of public administration having been given over to unelected bodies, which have ended up with semi-judicial or semi-legislative power and, in the case of central banks, semi-fiscal powers, without clear political control over their decision making.
