Sight words are a foundation for reading. Because sight words can't be easily sounded out, young readers must memorize them. This series helps young readers learn essential sight words through fun stories. Each page repeats the sight words to help readers recognize and memorize them. Words highlighted in the book come from the Dolch sight words lists. Bright pictures provide visual cues to help the reader. Additional features include a word list, an introduction to the author, and a letter to caregivers and educators.

This Sight Words wipe-clean workbook will help your child master the most common words in the English language. It comes with a dry-wipe pen, perforated flash cards, and 48 pages of activities to help build their reading and writing confidence. • Recognizing high-frequency words, such as the, and, and is, is one of the building blocks of early childhood literacy, key to increasing a child's accuracy, speed, comprehension, and fluency when learning to read • Colorful photographs and illustrations make practice enjoyable • Each of the 44 sight words has a page of writing and reading exercises • The wipe-clean activities are a boost to any child's confidence—mistakes can simply be wiped away • There are 48 flash cards—one for each word—and some blanks to write your own practice words • The spiral binding means that pages lie flat for ease of use, and there are even tips for good handwriting habits. A fantastic tool to help elementary school kids learn to read and write.

- Wipe-clean pages.
- Great early learning books.
- Includes high-quality wipe-clean pen.

A new edition to the bestselling Wipe Clean Workbooks series, packed with early learning exercises. This book has wipe-clean pages, and comes with a wipe-clean pen, so the activities inside can be completed, wiped away and repeated time and time again.

High frequency sight words such as the, and, is and it form one of the building blocks of early child literacy, and are key in increasing a child's accuracy, speed, comprehension and fluency when learning to read. Learning Sight Words is a practical workbook full of exercises and activities to help preschool children learn to read, write and recognise by sight 50 of the most commonly used high frequency words. Pages wipe clean, and the book comes with a wipe-clean pen, so that all of the exercises can be completed, wiped away and repeated. Includes perforated pages with removable flash cards featuring all 50 words, as well as blank cards for individual learning.

Sight words are common words that appear again and again in your children's reading material. Knowing these words by sight is essential for reading fluency. This set provides practice at the beginning reading level, and introduces 30 of the most common and easy sight words. Our method makes the process of learning to recognize sight words very simple for the young reader. Consistent short vowels and simple stories mean children sound out (decode) the story, and learn only three sight words per book. With plenty of repetition and context clues, your young reader will quickly master early sight words with Bob Books Sight Words - Kindergarten. Inside this eBook you'll find: - 10 easy-to-read, hilarious small books, 12 pages each - All stories told in three and four letter words, plus sight words - Consistent short vowels mean easy decoding in the rest of the story - Three new sight words introduced in each book

Games and practice pages encourage students in kindergarten through second grade to read, write, and manipulate sight words.

Spectrum Sight Words helps young learners master high-frequency words! The lessons, perfect for students in grade 1, strengthen word recognition skills using Fry's Instant Sight Words List, cloze activities, sentence strips, word flashcards, and more! Each book introduces, reinforces, and reviews instant recognition of the 300 highest-frequency words in the English language. They are also aligned to national and state standards and include a complete answer key. Today, more than ever, students need to be equipped with the essential skills they need for school achievement and for success on proficiency tests. The Spectrum series has been designed to prepare students with these skills and to enhance student achievement. Developed by experts in the field of education, each title in the Spectrum workbook series offers grade-appropriate instruction and reinforcement in an effective sequence for learning success. Perfect for use at home or in school, and a favorite of parents, homeschoolers, and teachers worldwide, Spectrum is the learning partner students need for complete achievement.

This wipe-clean cursive handwriting book, developed with handwriting experts at Zaner-Bloser, the leader in teaching kids to write for more than 125 years, combines Hidden Pictures puzzles and other fun activities with cursive handwriting practice in a convenient reusable format. While many schools no longer teach cursive, it is still an important life skill. Highlights brings "Fun with a Purpose" into learning cursive with this fifty-six-page, full-color, write-on, wipe-off book with included dry erase marker. The book has easy-to-follow instructions and special digital QR codes on the pages that can be scanned with a mobile device to launch animated handwriting tutorials that make learning cursive easy and fun. The book's horizontal layout will allow both right-handers and left-handers to write smoothly, free of any obstruction from the spiral.

Highlights(TM) Write-On Wipe-Off Fun to Learn books are perfect for engaging preschoolers in learning and having fun. Write-On Wipe-Off Let's Trace has reusable pages with a Highlights(TM)-branded marker (with wipe-clean eraser) in a hidden wire-o spiral binding that lays flat making it easy for kids to practice over and over . . . and over again!
